2020

WORK EXPERIENCE

Intern - BR Softech

- As a Web Development Intern at BR Softech for a **gaming site**, I gained experience in building **interactive** and **visually engaging** gaming platforms.
- I worked with technologies like **HTML5**, **CSS**, **JavaScript**, and **game development frameworks** to enhance user experience and performance.
- This internship was a great opportunity to strengthen my technical skills, explore game development concepts, and contribute to exciting gaming projects.

PROJECTS

Virtual Voyager – Game Store Web App | *HTML, CSS, and ReactJS*

- Developed a Game buying platform using **HTML**, **CSS**, and **ReactJS** to analyze and recommend games based on various features.
- Designed and developed a visually engaging landing page for a fictional gaming marketplace using ReactJS.
- Integrated dynamic UI elements such as user account display, shopping cart, and quick navigation links using `useState` and `useEffect`.
- Designed and developed a modern, responsive login form using ReactJS, featuring a sleek dark mode UI with glowing grid background.
- Integrated React Router links for “Forgot Password” and “Signup” navigation.
- Integrated interactive UI components such as an image slider, “Add to cart” button with state updates, and a search bar.

TECHNICAL SKILLS

Languages: C/C++, Python, Java Script

Frameworks: HTML, CSS

Database: MySQL

Developer Tools: VS Code

SOFT SKILLS

Communication

Teamwork and Collaboration

Adaptability

Problem-Solving

Time Management

LANGUAGE

Hindi: Native

English: Professional working proficiency
